

American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) Notice

Dear Lamad Community:

We're excited to share that our recent ESSER funding has been put to great use to the benefit of all of our students and stakeholders. With these funds, we've been able to enhance classroom technology, to purchase new learning materials, and to support enrichment programs that foster academic growth and engagement by:

- *Improving our access to technology (including the use of Google, Chromebooks, Zoom, and ATT Internet Connectivity Services, etc.)*
- *Implementing our "Progress Monitoring Process" for our instructional leaders and teachers providing data to allow them to make informed adjustments to our curriculum, instruction and professional development priorities.*
- *Conducting Saturday Academy & our Summer Bridge Program*

Thank you for your continued support and partnership as we strive to provide the best possible learning experience for all of our scholars.
